

**Amendments to the Specification:**

Please replace the paragraph beginning at page 13, line 1 with the following rewritten paragraph:

In one preferred embodiment, the numerical keypad 102 includes buttons 103 representing the numbers zero through nine, an enter button, a cancel button, a select credit button and a select debit button. The keypad alternatively does not have the credit versus debit select capability. The funds transfer display 104 is preferably a vacuum fluorescent ~~fluorescent~~ display that displays prompts for information, displays information entered by the player via the keypad 102 and displays messages delivered from a bank or credit provider.
